Student: Trevor Spears

Teacher: Caroline Bartunek

My name is Trevor Spears. I was born in Ottumwa, Iowa, but I moved to Austin, Texas very quickly. My parents are Tod and Kelly Spears, and I have a younger brother, Colin, who is a freshman in high school. I am the first to attend the University of Georgia in my family. Both of my parents are Oklahoma State University alumni, which will make the first game of this football season pretty fun. Watching football and playing football is just one of the many things that I enjoy. I love all sorts of outdoor activities and just being outside.
